At Suncoast windows, you'll find a range of products designed to suit your home's interior.

From staples such as classic, modern and designer shower screens, to versatile multi-application coloured and image glass, and everything in between, Suncoast windows has got your home's interior covered.

Turn the pages to discover how you can incorporate our beautiful range in your home.

The **bathroom collection** is divided into three ranges. While the frameless shower screens and mirrors are our premium products, the entire collection is manufactured from high-quality materials for a superior finish and performance.

Our versatile **coloured and image glass** creates beautiful spaces around the home when used as splashback or wardrobe door panels. With a range of design options, the only limit is your imagination – and we can even help with that.

The **bedroom collection** includes a range of wardrobe door options, as well as customisable interior shelving. If you're looking for a wardrobe that's both functional and easy on the eyes, you can't look past the Suncoast windows range.

Decorative

The colours displayed on this page are a guide only and have been matched as close as possible to production standards as modern printing processes allow. Due to the nature of printing processes, some degree of colour and gloss level variation will occur. Suncoast windows recommend the viewing of a glass colour sample prior to order.

Image Glass

Utilising ceramic ink technology, Suncoast windows **Image Glass** offers the ability to digitally print full-colour patterns and images for use in wardrobe doors and splashback panels.

By backing the ceramic ink in as part of the toughening process, it is converted into a hard ceramic layer fused into the glass.

The result? A durable, scratch-resistant, vibrant, high-gloss and photorealistic finish.

Prefer to supply your own custom image?

This is more than possible. Speak with a Suncoast windows sales representative for more information.

Graphic Design Service

Our highly experienced graphic designer will be involved in all Image Glass orders. Whether you are selecting a stock image or providing your own, rest assured that you will receive expert advice and guidance.

Please note – The colour output of Image Glass may not precisely match the colour output from digital files, as the colour profile used in Image Glass is different from RGB and CMYK colour profiles. A grain effect will be present on every Image Glass print.

Splashbacks

Suncoast windows glass **Splashbacks** are the perfect way to add a touch of colour to kitchens, bathrooms and other spaces around your home.

Available on 6mm toughened safety glass, these panels are suitable to be installed behind both gas and electric cooktops. Our qualified sales representatives and expert installers can easily customise panels to allow for power points, range hoods, cut outs and more.

Wardrobe Shelving

In addition to taking care of your wardrobe doors, you can choose to have Suncoast windows look after the interior of your wardrobe with a range of customisable shelving options.

Shelves

Sturdy shelving is a must for any wardrobe, so you'll be glad to hear that Suncoast windows has got you covered. With adjustable height options to suit your needs and preferences, you can customise these shelves to suit you. Strong, durable and spacious, they're everything wardrobe shelving should be.

- Superior strength with 16mm thick melamine
- Standard maxi depth of 445mm provides plenty of storage space
- Fixed and adjustable shelving options

Drawers

Strength and easy-sliding are the two things most people look for in wardrobe drawers, so at Suncoast windows we've taken care of both these features – and added a few extra ones. With their premium sizes and attractive handles, they're a long-standing bedroom favourite.

- Superior strength and consistent appearance with Suncoast windows shelves thanks to 16mm thick melamine
- Heavy-duty runners for trouble-free operation
- Standard maxi depth of 445mm and width of 510mm for ample storage space
- Stylish and easy-operate handle

Hanging Rails

No wardrobe is complete without hanging rails for shirts, dresses and other hanging items. Suncoast windows hanging rails are manufactured from heavy-duty chrome.

- Durable chrome oval hanging rails with white ends
- Strong white pillars help hold heavy clothing loads
